

2008 3v3 Shooting Stars Tournament

On Saturday July 26th Starfire Sports hosted the yearly 3v3 Shooting Stars Charitable Jamboree. Over Two hundred and fifty youth players combining to create forty co-ed teams took to the pitch showcasing enthusiasm for the game of soccer. Smaller fields were set up on the turf using portable goals and painting thin lines for boundaries. The jamboree focused on the community's youth players with ages ranging from six to eighteen. Each team was compiled of boys and girls with various experience and skill levels to support equal play for all participants.

Games began on a beautiful early Saturday morning with warm support from family, friends, and local community members and sponsors. Such sponsors that dedicated their time and resources for the development of youth soccer and team building were Mad Pizza, Soccer West, Clif Products, Crayons Sports Drinks, Coca Cola, City of Tukwila, Zoopa Restaurant, Cookie Lee, Seattle Sounders, and Jamba Juice. Each participant received a gift bag full of gifts and goodies from these sponsors. Along with gift bags, the Shooting Stars Tournament held raffles for prizes including an Electric Razor Scooter, Seattle Sounders Family Packs, Soccer Kits, Jamba Juice Gift Cards and Zoopa Lunch/Dinner Certificates.

Each youth participant had a blast playing the wonderful game of soccer and learning the game in a jamboree style of play while working with teammates to succeed and have fun together. Starfire Sports focuses on building the individual mentally and physically while strengthening their ability to function smoothly and effectively in a group with diverse backgrounds. Though all players and supporters had a great time, this tournament would not have been possible without the numerous volunteers that generously gave their time to officiating games, managing teams, and coaching from the sideline. Starfire Sports would like to extend a special thank you to all volunteers that made this years 3v3 Shooting Stars Charitable Jamboree a major success.
